*For me, and it is also linked
to surviving, without culture
men cannot survive.*

*So we really need to connect
with the landscape inside us.
For me, storytelling is a bit
like trying to shape a
collective landscape, trying
to also learn to read it first,
before you can actually
shape it.*

*For me this is where there
is a lot to think about
in this relation between
walking, writing, storytelling
and moving through the
landscape.*
